

GROUPIZE

Strategic Management Platform for Multi-Room Bookings, Meetings and Group Travel

The Next Frontier in **Managed Travel**

Now you can book hotel rooms and manage RFPs easily in one platform for multi-room bookings, extended stays, small & large meeting and groups. The solution you have been waiting for!

Ideal for higher education, emergency response, work crews, consultants, events, sales and marketing teams, sports, entertainment, engagements, financial services and more.

Benefits of Groupize

Save Time

Shorten procurement cycles by days, Instant Book or submit RFP. Quickly create RFP's and receive quotes on sleeping rooms, meeting rooms, F&B and other services.

Save Money

Access to real-time group pricing and negotiated rates. View and book your negotiated rates for transient, multi-room and extended stays.

Manage Easily

Automated workflows for Bids, Instant Bookings, Concessions, Communications

Track & Report

Achieve greater savings and maintain your travel policies. Share reports with your stakeholders to measure ROI.

Control

Define business rules & access. Easily monitor who is booking and control the process and spend. Track bids and savings.

The best way to capture the 80% of groups and meetings are booked outside of your company travel department. Reduce everyone's reliance on spreadsheets, phone calls and emails. Easy to use, start today.
